

PART 3: It's Our Turn Now

INTRODUCTION

In the Fall, we will create lots of first impressions with our new guests. You only get one chance to make a great first impression. We need to be ready. The urgency of now. Yes, it's March but we need to go ahead and get this locked down so we can train you, support you, prepare you, and be ready for everything else.

DISCUSSION QUESTIONS

1. Growing up, who had an impact on your life other than your parents?
2. Did you and your family go to church when you were a child or teenager? If so, what was your experience like?
3. What have you heard or experienced about family ministry at Gwinnett Church?
4. Have you thought about signing up for the Fall to ensure we are ready for whatever may happen in the Fall? If so, what can this group do to support you in taking a next step?

MOVING FORWARD

There are people out there who need your talents and experience. They need your time. And you need to pour yourself into others because you can't grow when you're full.
