

Indescribable

Indescribable 2 :: *Astronomical Grace*:: Louie Giglio

INTRODUCTION

We are given glances into God's grandeur when we stare out into the universe. Stars and nebulas and pulsars and galaxies all beautifully and intricately created by Him. However, contemplating the vastness of God can make it harder to wrap our minds around His grace. How can it be that a God this big, this creative, this imaginative, would stoop down, take the form of a man, and die a humiliating death on a cross? Could the One who made the stars also offer me grace?

DISCUSSION QUESTIONS

1. What are some specific things in God's created universe that amaze you? What do learn from them about God?
2. Read Hebrews 1:1-3. How could it be that Jesus is a better reflection of God's glory than all the stars in the universe?
3. Jesus provided the way for our sins to be cleansed (Heb 1:3) by offering Himself as a sacrifice on the cross. What emotions surface when you think about the One whom all things were created through offering Himself as a sacrifice?
4. When did you first come to know about the grace offered by God? How was it communicated to you?
5. God's grace is big enough to cover all sins. How does the bigness of God's grace compare with the bigness of His creation? Are both equally amazing?
6. How can a better appreciation of the bigness of God's grace change the way you interact with God and others?

THINK ABOUT IT

Take time to view some of the pictures sent back from the Hubble telescope.

<http://hubblesite.org/gallery/album/> How amazing is Christ's sacrifice for us, knowing that all that these things were created through Him, and yet He died on a cross for our sins?

WHAT WILL YOU DO?

Who in your life needs to know about the grace offered by God through Jesus? How will you tell them about it?

CHANGING YOUR MIND

The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word. After he had provided purification for sins, he sat down at the right hand of the Majesty in heaven. Hebrews 1:3
