

THE 007 RESOLUTION :: JEFF HENDERSON

INTRODUCTION

U2 sang that nothing changes on New Year's Day. And perhaps after a few months of good intentions, that's the way it has felt for you the past few years. But what if this year could be different? What if you adopted a different kind of resolution this year ... one that has the power to affect your career, your relationships, and your purpose in life?

DISCUSSION QUESTIONS

1. What are your resolutions for this year?
2. What has been your track record with New Year's resolutions?
3. Read Micah 6:6-7. What do you feel like God wants from you? When you think about God's requirements, what do you think of?
4. Read Micah 6:8. How can you act *justly* this year? What would be different about this year compared with last year if you consistently pursued justice?
5. How can you love *mercy* this year? What would be different about this year compared with last year if you consistently pursued mercy?
6. How can you walk *humbly* with God this year? What would be different about this year compared with last year if you consistently pursued humility before God?

THINK ABOUT IT

How will you remind yourself throughout this year of Micah 6:8?

WHAT WILL YOU DO?

What can you do this week to live out Micah 6:8?
