

***THINK STEPS* :: REGGIE JOINER**

INTRODUCTION

If you had a great mission, great passion and great resources, success would seemingly be guaranteed. But what if these were not enough? What if there was something missing? In this session we will discuss how to leverage an often overlooked ingredient for success in order to grow spiritually and relationally.

DISCUSSION QUESTIONS

1. What is something that was important to you as a teenager that isn't so important now?
2. What is going to be important to you a hundred years from now?
3. Why is it necessary to have a strategy for the important things in life?
4. What is your goal spiritually? Where do you want to be?
5. What are the steps that you need to take to get there?
6. What is goal relationally? Where do you want to be?
7. What are the steps that you need to take to get there?
8. How can you plug in to the strategy of your local church to help people grow in their relationship with Jesus Christ? Where can you serve?

THINK ABOUT IT

Write down your goals relationally and spiritually. Then take the time to outline the steps that you need to take in order to get there.

WHAT WILL YOU DO?

What is the first step you need to take in your spiritual strategy? When will you take this step? What about relationally?

CHANGING YOUR MIND

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight. Proverbs 3:5-6
