

WITH ALL MY HEART :: ANDY STANLEY

INTRODUCTION

Nothing declares our priorities louder than the way in which we spend money. And that is why it is important to stop and celebrate all of the people who have given to further God's purposes both here in our local communities, and across the world. Because it is one thing to say we want to create environments that lead people into a growing relationship with Jesus Christ, but it is another thing to sacrificially give of our time, talents, and money to enable them to happen on a weekly basis.

DISCUSSION QUESTIONS

1. How have you been impacted by the generosity of others?
2. Read Matthew 6:21. When we give to fund God's purposes, what does it say about our hearts?
3. How have you been able to invest in what God is doing?
4. How have you seen God impact the lives of others through your investments?
5. Why is it important for us to continue to create environments where people can experience a growing relationship with Jesus Christ?
6. What part can you play in continuing to create these environments?

THINK ABOUT IT

Think about someone you know who has yet to connect with a local church. This person could be someone in your family, someone at work or one of your neighbors. What difference could God make in this person's life if he or she were to connect with this church or another local church? What part could you play in this?

WHAT WILL YOU DO?

What is one way that you can contribute to God's purposes this month?
